A couple of weeks ago, Motorsport UK sat down to talk to Clubs and Organisers about Electrified Vehicles. In the webinar, the team at Motorsport UK covered the basics, answering questions about how EVs can be included in events and the safety aspects they may have to think about.

Streetcar

Mid-Derbyshire Motor Club have opted to join in with this initiative from Motorsport UK. It is an attempt to get people in to motorsport using their everyday road car. It is relevant to our club as we organise events that can be done in standard road cars. For example, autotests, 12 cars and targas.

Club Merchandise

The club still has plenty of merchandise that was ordered shortly before the outbreak of Covid. However, should you want a personalised item e.g. a polo shirt or fleece etc, it is best for us to order these in bulk. This avoids single orders having to pay a large delivery fee. An order form is attached but please keep in mind these prices are the original charges from 2019-20. The club is endeavouring to find the current prices
